Dr. Silverman of Marblehead named to Bridgewell board

Marblehead - Marblehead resident Dr. Michael Silverman was elected to Bridgewell's board of directors for a three-year term, the Lynnfield-based nonprofit organization announced recently.

Silverman is president of BioStrategics Consulting Ltd., also based in Marblehead, which provides consulting services to the pharmaceutical and biotechnology industries. Prior to forming BioStrategics Consulting in 1999, Silverman was manager of healthcare and life-sciences consulting in KPMG's pharmaceutical strategy group in Boston, and vice president of clinical research of Biopure Corporation in Cambridge, among other positions.

Bridgewell is a private, nonprofit organization dedicated to supporting and helping individuals with developmental and psychiatric disabilities throughout the North Shore and Merrimack Valley to direct their own lives, achieve personal and professional success and remain active participants in society. The organization, which celebrated its 50th anniversary in 2008, serves over 2,700 individuals per day at more than 100 sites, including 61 group homes in 18 communities in Essex and Middlesex counties. Bridgewell provides residential and day services, affordable-housing and homeless services, clinical services, recreational services as well as employment training and educational services.
