*She's an Inspiration*

### **Jane Bell, Bridgewell**

Jane is the director of health care for Bridgewell. She oversees and coordinates nursing services for hundreds of individuals with developmental disabilities together with a staff of 17 nurses. Every day, Jane goes above and beyond, advocating for the needs of each individual, working with local hospitals, rehabs, state offices, and our staff to ensure that each person receives the highest quality care and has the best quality of life. She is a true inspiration to all of us.
